

Wide Bridge, Inc.

About Our Company

CONNECTING PARTNERS TO GLOBAL OPPORTUNITIES

WIDE BRIDGE, INC.

WBI Mission

WBI is a leading advisory and financial services company assisting small and midcap clients in building integral blocks to perpetuate next stages of growth: developing business strategy, constructing external communications and financial brand acceleration program, orchestrating introductions to community of private and public investors, assisting with M&A strategy, assessing public capital markets readiness, facilitating IPO transitioning and establishing all aspects of investor relations' best practices.

WBI Competencies: IPO and Advisory

Pre IPO Advisory, Analyst Relations, IPO management, IR, M&A analysis on the following

Pre IPO Advisory

WBI was established in 2008 in New York to engage with private equity funds and enterprises to help them grow and / or exit the business at appropriate stages. WBI and its leaders have conducted and advised on numerous IPOs and M&A deals and put best in class IR and communications strategies for small and medium sized companies globally.

Selecting the most synergistic combination of syndicate members and service providers is one of the key successes in IPO. WBI is playing a role of internal corporate fiduciary in the IPO process, ensuring the interests of the company are always protected.

WBI Core Competencies: Corporate Communications, IR

IR Advisory, Sales, Marketing, Communications

WBI assists small and midsize companies compile the roadmap and strategy around upcoming IPO or M&A deal, review and polish marketing materials, execute targeted investor campaign (roadshows).

WBI also helps companies establish thought leadership with their target audiences, build or strengthen brands and find channel partners.
