

Samuel Lin, MD, PhD, MBA, MPA, MS
Rear Admiral and Assistant Surgeon General (Retired), USPHS
Deputy Assistant Secretary for Health (Retired), USDHHS
President, Humetrics, Inc. (A Certified, Service-Disabled, Veteran-Owned Business)

Samuel Lin received his MD and PhD from the Oregon Health Sciences University and is a member of the Alpha Omega Alpha Medical Honor Society. His other degrees include a BS (Seattle Pacific University), MS (Oregon State), MPA (Troy State University) and MBA (Johns Hopkins University). He began his professional career as a US Public Health Service (PHS) Commissioned Officer in the US Department of Health and Human Services (DHHS) and received exceptional capability promotions to the ranks of Captain and to Rear Admiral. He progressed through the ranks from Ensign to Rear Admiral in nine years.

From his first assignment as a General Medical Officer and Clinical Director in the US Indian Health Service (IHS), he next headed the IHS Physician Branch. Later, he headed the Office for Europe, DHHS Office of International Health and served as the US Executive Secretary for Joint US Health Commissions with the former USSR, Poland and former Yugoslavia.

He was appointed DHHS Deputy Assistant Secretary for Health from 1981 to 1992. During this time, he also served as Acting Director of the National Center for Health Services Research (now Agency for Healthcare Research and Quality), as Acting Director of the Office of Minority Health and as Chair of the Special Committee to Investigate the FDA's Center for Veterinary Medicine. He also served on various policy committees of DHHS UnderSecretaries and FDA Commissioners and as an ex-officio member of a number of NIH Advisory Councils. From 1992 until 1994, he served as Acting DHHS Deputy Assistant Secretary for Minority Health and then as Senior Advisor to the DHHS Deputy Assistant Secretary for International Health focusing on Asian-Pacific Rim and US-Mexico Border health issues.

While in Federal service, he co-founded several organizations (the Asian Pacific Islanders American Health Forum, the Association of Asian Pacific Community Health Organizations and the Asian Pacific Nurses Association). He has served, or currently serves, on various Boards of VetsFirst, United Spinal Association, Eli Lilly and Company, Daiichi Sankyo, Inc., Military Officers Association of America, National Capital Area Epilepsy Foundation, China Foundation, Inc., Hepatitis Foundation International, Rock-Asia Capital Group, Ltd., Omega Systems Group, Inc., National Military Family Association, as Commissioner and Vice Chair of the Maryland Health Services Cost Review Commission and as Commissioner and Chair of the Maryland Community Health Resources Commission. He serves as the Academy of Physicians in Clinical Research's Alternate Delegate to the American Medical Association (AMA). He served on the *Affordable Care Act's* Measures Application Partnership Committee. He has been recognized with the Veterans of Foreign Wars' *Commander-in-Chief Gold Medal of Merit*, institution of the *US Public Health Service Samuel Lin Award*, Seattle Pacific University's *2008 Alumnus of Year*, AMA Foundation's *2008 Excellence in Medicine Leadership Award*, Oregon Health & Sciences University *2009 Alumni Award for Medical Leadership*. He serves as Adjunct or Affiliate Professor at University of Hawaii, Seattle Pacific University and Florida Atlantic University.

After leaving Federal service, he joined the then-Upjohn Company as Executive Director for Federal Medical Affairs. He established new business relationships and marketing opportunities in diverse areas including the healthcare of military beneficiaries. He subsequently established The Lin Group, LLC and then Humetrics, Inc., a certified service-disabled, veteran-owned small business that serves as a proprietary consultant and project developer for domestic and global healthcare ventures in health care management and administration, biomedical research, biomedical technology and transfer, business strategy and planning, pharmaceutical and device approvals, health information technology and meaningful use, health facility financing and construction, health systems-medical home and accountable care organizations, alternative and complementary medicine and applied technologies in homeland security.
