congratulations...

...on your Fellowship award

Dear Harold

Congratulations!

Membership no.: 5271920

I am pleased to inform you that the Fellowship Panel has recommended that you are awarded Fellowship of CIPS, our highest grade of membership.

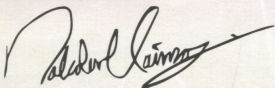

This award is a mark of your professional standing and contribution to the procurement and supply profession and recognition of your achievements. It recognises your professional status and gives you the right to use the designatory letters FCIPS.

The award brings with it many benefits, including the opportunity to attend exclusive events and other networking opportunities with your peers which are detailed on cips.org/Fellows.

It is also a chance for you to give something back, and we ask that you look for occasions to promote our profession. Examples of how you can achieve this are outlined in the 'Encourage' brochure attached.

I would like to take this opportunity to congratulate you on your achievement on behalf of CIPS.

Yours sincerely

Malcolm Harrison FCIPS
Group CEO
